

ROUND 4 PRELIMINARY PROJECT AWARD LIST

PROJECT RECOMMENDED TO RECEIVE FUNDING?	PROJECT NAME	PROJECT DESCRIPTION	APPLICANT	Q1 REQUEST AMOUNT	TOTAL ESTIMATED PROJECT COST
CARSON RIVER CORRIDOR					
YES	Lower East Fork Carson River Stream Restoration	The Carson Valley Conservation District will perform stream restoration tasks on the Carson River's lower east fork damaged by flooding in January, 2006.	Douglas County	\$600,000.00	\$1,200,000.00
YES	Middle Carson River stream Rehabilitation	The Dayton Valley Conservation District will restore three reaches of stream damaged by the January 2006 flood event by stabilizing eroding stream banks with a combination of mechanical and bioengineering techniques.	Douglas County	\$270,000.00	\$540,000.00
YES	Santa Maria Ranch Trail	Lyon County will develop park and recreational trail improvements on land adjacent to the Carson River that was recently donated to Lyon County.	Lyon County	\$328,140.00	\$853,140.00
			Subtotal:	\$1,198,140.00	\$2,593,140.00
HABITAT CONSERVATION PLANS					
YES	Tuscarora Watershed Sage Grouse HCP	The purpose of the project is to complete a watershed assessment of the Tuscarora Watershed/Sage Grouse Population Management Unit, and recommend management measures necessary to maintain Sage Grouse Populations while allowing agricultural production and other existing land uses to continue.	Elko County for Northern Nevada Stewardship Group	\$153,530.00	\$180,685.00
			Subtotal:	\$153,530.00	\$180,685.00
LAND & WATER ACQUISITIONS, COUNTY/MUNICIPALITY					
		No Applications Received	Subtotal:	\$0.00	\$0.00
LAND & WATER ACQUISITIONS, NON-PROFIT ORGANIZATION					
YES	McCleary Ranch Conservation Easement	The Nevada Land Conservancy proposes to protect the McCleary Ranch located in southwestern Washoe Valley through the granting of a Conservation Easement. The easement would leave the property in agricultural use.	Nevada Land Conservancy	\$1,750,000.00	\$3,500,000.00
			Subtotal:	\$1,750,000.00	\$3,500,000.00
RECREATIONAL TRAILS					
YES	Crystal Peak Recreational Trail	The project will provide new recreational trail facilities including signage, an interpretive kiosk, parking, three benches along the trail, and four picnic tables. Approximately 4200 linear feet of 4 foot wide crusher fine trails will loop around the Marsh property at Crystal Peak Park.	WA Co Dept of Regional Parks and Open Space	\$55,538.00	\$80,838.00
YES	Eastern & Central Nevada Trails	The project will provide recreational trail design and construction oversight for projects previously awarded funding, and for new projects located in Lander and White Pine Counties. Tasks to be completed related to the planning, design, and construction of five identified trails include project oversight and coordination, cultural and biological clearance, and signage.	Great Basin Institute	\$334,293.60	\$470,531.66
YES	Virginia Lake Trail	The project will enhance and define 1 mile of trail at Virginia Lake Park in the City of Reno. The existing, undefined trail parallels the shoreline of the lake. The trails surface will be improved with a soil binder. Trail signs will be installed directing and gauging trail distance in ¼ mile increments. Short connector trails linking the shoreline trail to sidewalks are included in the project.	City of Reno Parks, Recreation & Com Services	\$187,500.00	\$250,000.00
YES	Wilson Canyon Trail	An Environmental Assessment and installation of 21 signs along three miles of hiking trail in Wilson Canyon will be completed. Various levels of improvement and/or reconstruction is required along the 3 miles of trail.	Lyon County	\$70,350.00	\$105,260.00

ROUND 4 PRELIMINARY PROJECT AWARD LIST

PROJECT RECOMMENDED TO RECEIVE FUNDING?	PROJECT NAME	PROJECT DESCRIPTION	APPLICANT	Q1 REQUEST AMOUNT	TOTAL ESTIMATED PROJECT COST
			Subtotal:	\$647,681.60	\$906,629.66
	URBAN PARKS				
YES	Genoa Lane Fee Title Acquisition	The purpose of the project is to acquire in fee title two adjacent parcels, 5.42 and 0.71 acres in size, located on Genoa Lane along the Carson River between Highway 395 and the Town of Genoa in Douglas County. Privately owned, both parcels are adjacent to the Carson River in a Zone A Flood area. The larger parcel contains a primary and secondary residential unit. A portion of this parcel flooded in the 2005 New Year's flood. The smaller parcel houses the Willowbend Cabinet Shop.	Douglas County	\$1,220,155.00	\$1,493,540.00
YES	IVGID Incline Lake Fee Title Acquisition	The purpose of the project is to purchase approximately five (5) acres of private land from the Incline Lake Corporation for the proposed future development of a trailhead, parking lot, all-season trails, informational kiosks, educational and recreation programs and other related trail and recreation amenities as budget, IVGID's partners, and the public see fit for the area. A Day Lodge is envisioned to house visitor information services, restrooms, housing for ranger and management functions, and to operate cross-country ski and snow play areas.	Incline Village General Improvement District	\$1,000,000.00	\$1,287,500.00
YES	Las Vegas Wash Fee Title Acquisition	The City of Las Vegas in conjunction with the Trust for Public Land proposes to acquire a 3.91 acre property adjacent to the Las Vegas Wash as a neighborhood park and trailhead recreational amenity. Future trail projects would connect this property with Floyd Lamb State Park, Clark County Wetland Park, and Lake Mead National Recreation Area.	City of Las Vegas	\$500,000.00	\$1,608,500.00
			Subtotal:	\$2,720,155.00	\$4,389,540.00
	OPEN SPACE PLANS				
YES	Beatty Open Space Plan	Nye County will develop an open space plan for the unincorporated Town of Beatty, Nye County, NV and its taxing district.	Nye County	\$30,000.00	\$40,000.00
			Subtotal:	\$30,000.00	\$40,000.00
	LAKE TAHOE PATH SYSTEM				
		No Applications Received This Round			
			Grand Total:	\$6,499,506.60	\$11,609,994.66

Note: Actual Grant Award amount may differ from the amount requested.
